To: Fox Army Hospital Staff and Patients:

On behalf of the Guzman Family we would like to take this time to thank each and every one of you for helping our family while we were going through some difficult moments with our daughter Jassmine Guzman. It is very important to our Family that you all know we truly appreciate all your prayers, letters, cards, and donations that we received while in the hospital and after the passing of our daughter.

We are so blessed and thankful that Jassmine could touch your hearts in a very special way, to make each one of you show that you truly cared about the well being of our daughter. There are no words that could express our sincere appreciation to all of you. In our Hearts we believe our Lord will Bless each and every one of you in a special way in due time.

Again, Thank you very much and may God bless every one of you.

Sincerely,

The Guzman Family
